

RESIGNS.

By a recent publication we learn that our friend, Capt. Jas. F. Browninski, commander of the Government boat, Gen. O. M. Poe, on the Kentucky river, has resigned the position which he has held for so long, and the duties of which he has discharged so faithfully, in order to accept a position with the Chicago & Eastern Illinois Railway, in charge of traffic of water transportation lines, at a handsome salary.

Capt. Browninski's many friends along the river will regret to see him leave, but they will be glad to know that he will have a more agreeable and profitable position, and one where there is promotion always in view.

HOWARD TRIAL.

The trial of James Howard, charged with the murder of Wm. Goebel, is in progress as we go to press.

The chief testimony was the same as in the Powers trial. As to the identification of Howard witnesses for the prosecution gave exactly contrary statements.

Howard claims that he was not in the State House grounds at the time of the killing at all.

He is putting up a stiff defense, and no witness has connected him with any other of the accused.

After the verdict in the Powers case, however, the public would not be surprised at any thing done by a jury selected as these two have been.

The case may reach the jury early next week.

SUNDAY MORNING KILLING.

On Saturday night a lot of colored men engaged in a game of craps in a house at Jimpson-Weed Park, on Battle Alley, and the game lasted until about three o'clock on Sunday morning.

A dispute arose which ended in a fight, during which Ben Chiles (son of Ed Chiles), a young man about 20 years old, was shot through the left breast and heart, the ball coming out of the right breast near the shoulder.

Chiles fell dead and the others in the room escaped, but some of them were afterwards caught and placed in jail.

It is said that the man who fired the fatal shot was one Lee Clark, of not very fragrant record. He eluded the police and has escaped arrest so far.

"I am a switchman," writes A. J. Jenness, of 9201 Butler St., Chicago. "and am out in all kinds of weather. I took a cold which settled in my kidneys and was in very bad shape. I tried several advertised medicines with no benefit until I was recommended to take Foley's Kidney Cure. Two-thirds of a bottle cured me." South & Longmoor, McKee Hardie.

SATURDAY NIGHT CUTTING.

A number of men were in the saloon of Mr. James O'Donnell, on Broadway, Saturday night. They became involved in a difficulty, during which John Perkins, who lives out on Cedar Run, stabbed a man by the name of Elder several times—once in the shoulder, once in the head and once in the face.

Elder was given surgical attention and it is thought will recover.

Perkins escaped and has thus far eluded arrest.

SAFFELL'S NEW STORE.

On Tuesday last Messrs. Saffell & Son had their opening in their splendid new storeroom in the Masonic Temple, Ann street.

The store and fixtures make one of the handsomest establishments of that character in the State. Everything was arranged with taste and attractiveness.

The display of china and cut glass was beautiful and would almost compel one to buy whether they wanted to or not.

All the latest fancy groceries, preserves, jellies, etc., are displayed to the very best advantage, and these are backed up with a solid array of staple goods, canned and in bulk.

The fact is there is nothing in the grocery line that you can call for that is not to be found in profusion.

They also have a splendid line of wines, whiskies, cigars and tobacco.

They are making a specialty of "Grape Juice," which was furnished by "The Purity Bottling Co.," of Cincinnati. It is absolutely pure, unfermented grape juice, with all the delicious flavor of the grape intact. It is especially desirable for sacramental use.

These gentlemen have Mr. John T. Gray, the old and well known groceryman, a master hand, as their manager and buyer, and it goes without saying that they will always have the best and purest goods on the market, and they will sell at the lowest practicable figures.

If you have not called do so at once. Their opening was a splendid success in every way.

Fatality Follows Failure

to use Foley's Kidney Cure in time. If taken in earlier stages of Bright's disease and diabetes, it is a certain cure. You have noticed the high death rate from these diseases, and it is not wise to ignore early symptoms when a sure medicine like Foley's Kidney Cure, can be had. South & Longmoor, W. McKee Hardie.

HALF HOLIDAYS.

The Board of Education has agreed to allow the school children holiday during our Street Fair, on Tuesday, Wednesday and Thursday next, after 10 o'clock a. m., and on Friday the whole day will be given. The condition is that the children report the three first days at 8 a. m. and remain until 10 a. m.

The arrangement is a good one.

HANDSOME LADLE.

In the show window of Mrs. Sally Thomas can be seen the "Ladle" to be given away to the lady receiving the highest number of votes for her beauty, by the ladies conducting the Baptist Church lunch stand in front of the church. Everyone who makes a purchase at the stand will be given a coupon to vote for the lady of his or her choice.

BRIGHT BOY DIES.

We regret to announce that Master John Harris Stone, the fourteen-year-old son of Col. Sam. H. Stone, former State Auditor, died at the Infirmary in Louisville on Tuesday, as the result of an operation for appendicitis.

Young Stone was a bright, handsome and popular youth, who had made many friends while he resided in this city. His death caused general regret in this community. We tender our sincere sympathy to the afflicted family.
